Re: North Key Largo Fire Station
Monroe County

Dear Mr. Chalmers,

I have reviewed the two bids we received on the new North Key Largo Fire Station and I am recommending Overholt Construction Corporation.

We received a bid for \$ 2,067,000.00 from Overholt Const. Corp. and a bid for \$ 2,778,000.00 from Pedro Falcon Electrical Contractors, Inc.

My cost estimate was \$ 1,906,149.00. Overholt Const. Corp. bid was very close to my cost estimate. Falcon's bid was about \$ 800,000.00 over my estimate.

When we choose the alternates we want, Overholt's bid comes to \$ 2,030,500.00. We are recommending accepting alternates 2, 3, 5, 8, 9, and 13 (please, see alternate list for more information)

Again, I recommend we negotiate a contract with Overholt Const. Corp., who appears to be the lowest qualified bidder.

Please, call if you have any questions.

Sincerely,

William P. Horn
Principal

ARTICLE 5 **Progress Payments**

5.1 Based upon Applications for Payment submitted by the Contractor to the Construction Manager, and upon Project Applications and Certificates for Payment issued by the Construction Manager and Architect, the Owner shall make progress payments on account of the Contract Sum to the contractor as provided below and elsewhere in the Contract Documents.

5.2 The period covered by each Application for payment shall be one calendar month ending on the last day of the month, or as follows:

5.3 Upon receipt from Contractor of an Application for Payment, Owner shall comply with the Florida Prompt Payment Act, Sections 218.735 and 218.74 F.S. in making payment to contractor.

5.4 Each Application for Payment shall be based upon the Schedule of Values submitted by the Contractor in accordance with the Contract Documents. The Schedule of Values shall allocate the entire Contract Sum among the various portions of the Work and be prepared in such form and supported by such data to substantiate its accuracy as the Construction Manager or Architect may require. This schedule, unless objected to by the Construction Manager or Architect, shall be used as a basis for reviewing the Contractor's Applications for Payment.

5.5 Applications for Payment shall indicate the percentage of completion of each portion of the Work as of the end of the period covered by the Application for Payment.

5.6 Subject to the provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:

5.6.1 Take that portion of the Contract Sum properly allocable to completed Work as determined by multiplying the percentage completion of each portion of the Work by the share of the total Contract Sum allocated to that portion of the Work in the Schedule of Values, less retainage of Ten percent (10%). 5.6.2 Add that portion of the Contract Sum properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the completed construction (or, if approved in advance by the Owner, suitably stored off the site at a location agreed upon in writing), less retainage of Ten percent (10%):

5.6.3 Subtract the aggregate of previous payments made by the Owner; and

5.6.4 Subtract amounts, if any, for which the Construction Manager or Architect has withheld or nullified a Certificate for Payment as provided in Paragraph 9.5 of the General conditions.

5.7 The progress payment amount determined in accordance with Paragraph 5.6 shall be further modified under the following circumstances:

5.7.1 Add, upon Substantial Completion of the Work, a sum sufficient to increase the total payments to Ninety percent (90%) of the Contract Sum, less such amounts as the Construction Manager recommends and the Architect determines for incomplete Work and unsettled claims; and

5.7.2 Add, if final completion of the Work is thereafter materially delayed through no fault of the Contractor, any additional amounts payable in accordance with Subparagraph 9.10.3 of the General Conditions.

5.8 Reduction or limitation of retainage, if any, shall be as follows:

NONE

ARTICLE 6

Final Payment

Final payment, constituting the entire unpaid balance of the Contract Sum, shall be made by the Owner to the Contractor when (1) the Contract has been fully performed by the Contractor except for the Contractor's responsibility to correct nonconforming Work as provided in Subparagraph 12.2.2 of the General Conditions and to satisfy other requirements, if any, which necessarily survive final payment: and (2) a final Project Certificate for Payment has been issued by the Construction Manager and Architect: such final payment shall be made pursuant to the Florida Prompt Payment Act, Sections 218.735 and 218.74, F.S.
